New Business

Request for Septic Variance Request for 52 Ferry Road. This proposal was reviewed by the Conservation Commission and approved. Motion made by Robert Gallagher approve the variance and seconded by Joanne. Unanimous approval for variance request.

Minutes for March 19, April 2 , and May 7 will be reviewed at next meeting. Monique made a motion to meet July 2, and August 6. Regular schedule will resume in September .The motion was seconded by Bob and approved unanimously.

Cheryl would like to have a workshop to review trash regulations. The goal of the workshop will be to listen to suggestions to improve trash pickup. Jack Morris will send out a letter to the Salisbury Beach Betterment Association, Salisbury Beach Partnership, and the Salisbury Chamber of Commerce asking them for recommendations and feedback. The workshop will be held September 17 at 6 PM. Another workshop to discuss policies and procedures will be held August 6 at 6 PM.

Health Officer Report

Member Report

Monique said the computer systems for the state are still being updated. Cancer statistics are current to 2008 which is very dated information.

Joanne advised residents to make a special effort to stay hydrated during the hot summer months.

No Correspondence
