Park Fees

Colburn suggest exploring charging a yearly fee for leagues/programs that run annually

Ray-Parrot expresses concern regarding annual fee covering each per use/event equitably

Timmons agrees – suggests reservations to list all game/tournament dates and set fees based on those.

Reserve to provide schedule and times to be blocked. Charge per game or hourly rate- 2 hour minimum

Roketenetz to provide/share Field use Google Sheets with programs for practice schedules.

Community Fees -Roketenetz suggests adjusting fees for courts, community use, and Salisbury residents.

Timmons suggests no community use fee for celebrations unless requesting bathrooms, fields, courts or exclusive use.

Roketenetz will work on Fee Schedules during off season months.

Fences – Mike Colburn

MC

Fences at Beach field have funding available. Would like to replace the 4' fence that damaged and raise to 6' for safety.

MC is waiting for material and has volunteers to install

Dog Park

Roberge researched costs for cleanup of dog waste. Wolpert, local waste removal company, will match any
