On behalf of our client, Mr. Kevin Karpenko, **ASB** design group, LLC (ASB) is submitting this As - Built Letter for the Site Restoration and Stabilization at Lot 48, Folly Mill Road (See As-Built Plan) for your review, comment and approval. The submittal includes:

- As-Built Summary Letter
- As-Built Plan Prepared by Donohoe Survey Inc. Dated September 21, 2021

The work has been completed in accordance with the approved plans. On July 14, 2021, the applicant and ASB walked the site with Joseph J. Serwatka P.E. to confirm that the work was completed, and the site stabilized. The site has been stabilized with loam and hydroseeded with a New England Meadow seed mix. No erosion was present at the site. The entire area has a complete vegetated ground cover.
