RE: Special Permit Approval

Applicant: Albanese Brothers Inc.

Address of Applicant: P.O. Box 518, Loon Hill Road, Dracut, MA 01826

Owner: Blair Properties LLC

Address of Owner: 98 Elm Street, Salisbury, MA 01952

Address of Project: 155 Lafayette, Road, Salisbury, MA 01952

To the Town Clerk:

This is to certify, at a duly noticed public hearing of the Salisbury Planning Board as regards Special Permit opening on August 26, 2020, closed on August 26, 2020, by a motion duly made and seconded, it was voted:

"We, the Salisbury Planning Board, as requested by Albanese Brothers Inc, under the provisions of Article III of the Zoning By-Laws of the Town of Salisbury, to consider a Special Permit approval pursuant to §300-35 for properties addressed at 155 Lafayette (Assessors Map 18 Lots 56), as shown on plans ("The Plans") entitled:

"Special Permit, 155 Lafayette Street, Salisbury MA for Albanese Brothers, Inc., prepared by Millennium Engineering, Inc., and stamped by Eric W. Botterman, dated June 5, 2014, do hereby vote:

I.

SPECIAL PERMIT APPROVAL

To approve the proposed site plan pursuant to the Lafayette-Main Commercial District, Subdistrict B Article XVIII of the Zoning By-Laws of the Town of Salisbury:

1. The Planning Board has determined that the application satisfies all the special permit conditions enumerated in §300-35 of the Zoning By-Laws of the Town of Salisbury. Specifically, the Planning Board found:
 1. The requested use is essential and/or desirable to the public convenience or welfare.
 2. The requested use will not create undue traffic congestion or unduly impair pedestrian safety.
 3. The requested use will not overload any public water, drainage, or sewer system or any other municipal system to such an extent that the requested use or any developed use in the immediate area or in any other area of the Town will be unduly subjected to hazards affecting health, safety, or the general welfare.
 4. Any special regulations for the use set forth in the Special Permit Table are fulfilled.
5. The requested use will not impair the integrity or character of the district or adjoining districts, nor be detrimental to the health or welfare of the neighborhood.
6. The requested use will not, by its addition to a neighborhood, cause an excess of that particular use that could be detrimental to the character of said neighborhood.

L. Masiello **motioned** to approve the special permit application for 155 Lafayette Street.

G. Medeiros **seconded** the motion.

2. Special Permit Application, submitted, August 7, 2020
3. Quitclaim Deed submitted, August 7, 2020
4. Abutters certified list submitted August 5, 2020

III. FINDINGS

1. Currently, 155 Lafayette Road, is a vacant 2.952-acre site located in the Lafayette-Main Commercial District Subdistrict B.
2. The special permit application purpose is for use of 155 Lafayette as a constructing staging area for the Lafayette Road/Route 1 sewer project.
3. Albanese Brothers, Inc have contracted with the Town of Salisbury for the construction of the complete sewer project.
4. This special permit will be valid for the life of the Albanese Brothers, Inc. contract with the Town of Salisbury.
5. The Applicant stated that he will provide screening consistent with the Zoning and By-Laws of the Town of Salisbury.

IV. SPECIAL PERMIT CONDITIONS

The following Conditions shall be required at the Applicant's sole expense, unless otherwise noted:

1. This special permit will not transfer to any successor in interest or successor in control of the property subject to this approval and to any contractor or other person performing work.
2. Following the construction completion of the sewer project the site will be returned to the site's original condition.

3. After the administrative appeal period, this decision shall be recorded in the registry of deeds before the pre-construction meeting.
4. Prior to beginning of work, the Applicant shall submit a copy of the recorded special permit decision to the Planning Department.
5. The Applicant shall during construction coordinate with local officials to connect the proposed utilities with existing utilities.
6. All lighting used on site will be dark-sky compliant.
7. The Applicant will provide sufficient screening to prevent sight of the construction yard from the street and from the inhabited portion of adjacent property.

PRIOR TO ANY SITE WORK

8. The Applicant shall coordinate with the Planning Department a pre-construction meeting with the Town staff prior to the start of any construction to review these conditions and any final construction sequencing, details, and plans for this Project.
9. The Applicant shall coordinate with the DPW Director all Town and public easements for water, drainage and sewer, if applicable.
10. The work authorized hereunder must have active development or at least substantial progress toward implementation of the approved Site Plan occurring within three (3) years or the approval becomes void. This approval may be extended by the issuing authority for an additional two-year period if, in the opinion of the issuing authority, there is just cause to approve an extension.

DURING CONSTRUCTION

Hours of Construction shall be adhered to and said hours shall be posted in a conspicuous place at the entrance prior to any work on the site. These Hours are:

Hours of Construction Operations:

- I. Construction activity shall not take place on-site or in any building contained therein except during the following hours:
 - Mondays through Fridays: 7:00 AM to 5:00 PM,
 - Saturdays: 8:00 AM to 5:00 PM,
 - Sundays and Legal Holidays: none

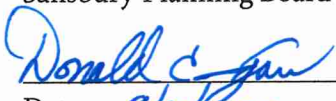

These can be amended with written permission of the DPW Director.

11. Town staff or their designee shall have reasonable access to inspect the site to determine compliance with this Decision. All water, sewer and drainage facilities shall be subject to inspection by the Town, and all water and sewer facilities shall be constructed in accordance with Town specifications.
12. Construction activities shall be conducted in a workmanlike manner at all times. Blowing dust or debris shall be controlled by the Applicant through stabilization, wetting down, and proper storage and disposal methods.
13. Erosion and sedimentation control measures presented in the plan shall be adequate to retain all sediment within the site and away from wetlands, constructed wetlands, watercourses, and water bodies, both during and after construction.

MODIFICATION OF SPECIAL PETMIT

14. In the event that the Applicant intends to modify the approved special permit, the Applicant must comply with MGL Chapter 40A.
