Review/Vote to approve minutes from July 12, 2017

Ronalee made a motion to approve the minutes, Mie seconded the motion. All in favor, minutes approved as written.

Seaside Brewfest 2017

Angelica reported that the Commission still has not received a check for profits from the Boys and Girls Club. Ronalee replied that she would check in with Jim Keenan.

Flag Football @ Partridge Brook Park

Ronalee reported that Jeff Johnson will be holding flag football games at the Partridge Brook Park on the weekends. PARC grant stipulates that people must be using and playing on the fields. She stated that Jeff, Lisa DeMeo, Lisa Pearson, Ryan McAdams, Angelica, and herself all met out at the fields for a walkthrough. Jeff Johnson would like to see irrigation there, but it cannot be done at this time. Angelica replied that she has to email Jeff to make sure he will be putting port a toilets down there. Ronalee also mentioned that she would like the dog park to be presentable if people are going to be visiting the Partridge Brook Park for flag football games. Lisa D. responded that she would have the DPW guys check it out.

Pickle ball

Sean mentioned how he got pricing for the line painting at the pickleball courts. Ronalee would like Angelica to get pricing for two nets and two sets. If they are expensive, the Commission can start with one. Sean also suggested that if pickleball is popular the Commission can set times specifically for pickleball. If someone wishes to play pickleball during a time that it is not scheduled, they can rent the courts. Sean made a motion to move forward with the pickleball lining and supplies. Ronalee seconded the motion. All in favor.
