FOR IMMEDIATE RELEASE

The Town of Salisbury has been notified by the Massachusetts Executive Office of Health and Human Services on Thursday, December 3, 2020 that Salisbury has been a high-risk community (Red Designation) for three (3) consecutive weeks. Due to this designation, the Town is required to roll back to Phase III, Step I of the Massachusetts State Reopening Plan.

Based on Phase III, Step I, certain businesses will need to cease operations and others will need to follow Step I restrictions.

Please visit the Town's website for guidance for Phase III, Step I.
