

# MassDOT Project #607710 - Salisbury Resurfacing and Related Work on Route 1A

## What is happening?

The proposed project consists of the reconstruction of a portion of Route 1A (North End Boulevard) in Salisbury; construction of a 2-way separated bike lane including crossings; sidewalk and pedestrian curb ramp construction; reconstruction of driveway aprons; removing and replacing guardrail and fence as needed; adjusting, cleaning, rebuilding, and upgrading drainage structures; replacement of drainage structure frames, grates, and covers as needed; removing and resetting granite curbing; replacing any broken granite curbing; removing and resetting of traffic signs; placing final pavement markings; and completing incidental items and as required by the Engineer. Bicycle accommodations consisting of a 2-way separated bike lane have been provided in accordance with applicable design guides.

## How will this affect you?

Property owners / residents will receive an invitation by mail to attend one of three meetings to come in, view the design plans, and ask questions about the project, including Right-of-Way related to their property.
