November 10, 2020

Dear North End Boulevard Property Owner:

As I am sure you know, the Town has been working with the Mass. Dept. of Transportation (MassDOT) to develop options for making major improvements to North End Boulevard at some point in the future. On August 19 of last year, a public meeting was held at Salisbury Elementary School at which a firm hired by MassDOT, Jacobs Engineering Group, outlined three possible options. Comments were taken from the public and Jacobs has been working on refining the options over the past several months.

On Thursday, November 19, MassDOT and Jacobs will host a second meeting relative to North End Boulevard. Due to the constraints imposed by Covid-10, this will be a remote meeting conducted via Zoom. The meeting will begin at 7:00 PM and, as an owner of property on North End Boulevard, you are cordially invited to attend. A link to the meeting is below:

Sincerely,

Neil J. Harrington
Town Manager
