Blackwater River Flood Control Project

Public Meeting

January 19, 2016 – 7:00 PM

Hilton Senior Center, Salisbury, MA

The public is invited to attend a public meeting relative to the Blackwater River Flood Control Project. Construction on the project is expected to begin soon.

Officials from the Army Corps of Engineer, the contractor, and the Town will be at the meeting to answer questions from homeowners whose properties abut the proposed flood wall and other residents of the neighborhood.

If you have questions about the project, you are strongly urged to attend this meeting.
