

Trial Resident Overnight Parking Program in Municipal Parking Lot at the Beach

Beginning on Monday, August 12, the Town of Salisbury is instituting a trial overnight parking program at the Town-owned parking lot on Beach Road. This trial program is open to permanent residents and property owners on the South end of Salisbury Beach only, and will terminate at the end of the parking enforcement season (Oct. 15).

All individuals interested in participating in this trial program must abide by the following rules:

1. You must purchase a \$10.00 daytime season's pass (sticker) to park in the Town parking lot, which allows residents and Salisbury property owners unlimited daytime parking in the lot between April 1 and October 15 annually. You must affix the sticker to the back side of your rearview mirror, facing the windshield.
2. You must also purchase an overnight pass for an additional \$20 for the remainder of 2019 until Oct. 15. These passes are green and must be hung from your rearview mirror.
3. All passes may be purchased at both the DPW office on Lafayette Road or the Town Clerk's office at Town Hall during normal business hours, beginning on Thursday, August 8. No more than 75 overnight parking passes will be sold.

4. You will need to present your license and registration, or a recent utility or property tax bill (to prove you are a Salisbury resident or property owner) for the vehicle that will be parked in the lot. No more than two overnight passes per property address will be allowed.
5. Participants in the program must park only in the designated area of the parking lot, as shown on the attached sheet. Please note that there are no guaranteed spaces in the designated area, as this section is also available to all beach-goers during the day.
6. Commercial vehicles and recreational vehicles are **STRICTLY** prohibited from this trial program.
7. No one can stay in vehicles parked overnight, and all vehicles must be moved after three (3) days.
